23. FOREIGN ACCOUNT TAX COMPLIANCE (FATCA)

FATCA & CRS TERMS & CONDITIONS: Details under FATCA & CRS: The Central Board of Direct Taxes has notified Rules 114F to 114H, as part of the Income- tax Rules, 1962, which Rules require Indian financial institutions such as the Bank to seek additional personal, tax and beneficial owner information and certain certifications and documentation from all our account holders. In relevant cases, information will have to be reported to tax authorities / appointed agencies. Towards compliance, we may also be required to provide information to any institutions such as withholding agents for the purpose of ensuring appropriate withholding from the account or any proceeds in relation thereto.

Should there be any change in any information provided by you, please ensure you advise us promptly, i.e., within 30 days.

Please note that you may receive more than one request for information if you have multiple relationships with Axis MF or its group entities. Therefore, it is important that you respond to our request, even if you believe you have already supplied any previously requested information.

FATCA & CRS INSTRUCTIONS: If you have any questions about your tax residency, please contact your tax advisor. If you are a US citizen or resident or green card holder, please include United States in the foreign country information field along with your US Tax Identification Number. It is mandatory to supply a TIN or functional equivalent if the country in which you are tax resident issues such identifiers. If no TIN is yet available or has not yet been issued, please provide an explanation and attach this to the form.

Accordingly, the following aspects need to be adhered to:

- With effect from November 1, 2015 all investors will have to mandatorily provide the information and declarations pertaining to FATCA/CRS for all new accounts opened, failing which the application / transaction request shall be liable to be rejected.
- For all new accounts opened by investors, from September 1, 2015 till October 31, 2015, MFs need to obtain relevant FATCA declarations. These details / certification need to be obtained by December 31, 2015, particularly in cases where, after Indicia search, a positive match is found with any US indicia. If certification is not provided by an investor or the reasonableness of self-certification cannot be confirmed, the account is treated as reportable.
- Investors are requested to note that under the alternative procedure provided in Rule 114H(8) of the Income-tax Rules, 1962, the financial institutions were required to obtain FATCA/CRS self-certification and carry out due diligence in respect of all individual and entity accounts opened from 1st July 2014 to 31st August 2015. Such self-certification and documentation was required to be obtained by the financial institutions by an extended timeline of 31st August 2016. In the event that such self-certification were not received within this timeline, financial institutions were required to close the account and if the account were found to be a "reportable account", report the same. In view of the difficulties highlighted by stakeholders in complying with the provision for "closure" of financial accounts, the Ministry of Finance, Government of India vide Press Release dated 31st August 2016 extended the time line for closure (from 31 August 2016) until further notification.

Further to this, the Ministry of Finance, Government of India vide its Press release dated April 11, 2017 directed financial institutions to obtain the self-certification by April 30, 2017, failing which the accounts would need to be blocked. The transactions in such blocked folios would, be permitted only once the self-certification is obtained and due diligence completed. Investors are advised to complete their self-certification at the earliest to prevent being inconvenienced on account of blocking of any folio(s).

Investors are requested to provide all the necessary information / declarations to facilitate compliance, considering India's commitment to implement CRS and FATCA under the relevant international treaties.

Please consult your professional tax advisor for further guidance on your tax residency, if required.
