#### (y) Risk Mitigation process against Third Party Cheques

Third party payments are not accepted in any of the schemes of UTI Mutual Fund subject to certain exceptions.

"Third Party Payments" means the payment made through instruments issued from an account other than that of the beneficiary investor mentioned in the application form. However, in case of payments from a joint bank account, the first named applicant/investor has to be one of the joint holders of the bank account from which payment is made.

For further details on documents to be submitted under the process to identify third party payments, Exceptions for accepting such cheques etc, refer to SAI. Bank Mandate registration as part of the New Folio creation

In order to reduce frauds and operational risks relating to fraudulent encashment of redemption/dividend proceeds, Investors are required to submit any of the prescribed documents (along with original document for verification) in support of the bank mandate mentioned in the application form for subscription under a new folio, in case these details are not the same as the bank account from which the investment is made.

# (z) Foreign Account Tax Compliance Act (FATCA) is a United States (US) Law aimed at prevention of tax evasion by US citizens and residents ("US Persons") through use of offshore accounts.

FATCA obligates foreign financial institutions (FFIs), including Indian financial institutions to provide the US Internal Revenue Service (IRS) with information and to report on the accounts held by specified US Persons. The term FFI is defined widely to cover a large number of non-US based financial service providers such as mutual funds, depository participants, brokers, custodians as well as banks. FATCA requires enhanced due diligence processes by the FFI so as to identify US reportable accounts.

- The identification of US person will be based on one or more of following "US indicia"-
- Identification of the Account Holder as a US citizen or resident;
- Unambiguous indication of a US place of birth;
- Current US mailing or residence address (including a US post office box);
- Current US telephone number;
- Standing instructions to transfer funds to an account maintained in USA;
- · Current effective power of attorney or signing authority granted to a person with a US address or
- An "in-care of" or "hold mail" address that is the sole address that the Indian Financial Institution has on the file for the Account Holder

#### Common Reporting Standard - The New Global Standard for Automatic Exchange of Information

On similar lines as FATCA the Organization of Economic Development (OECD), along with the G20 countries, of which India is a member, has released a "Standard for Automatic Exchange of Financial Account Information in Tax Matters", in order to combat the problem of offshore tax evasion and avoidance and stashing of unaccounted money abroad, requiring cooperation amongst tax authorities. The G20 and OECD countries have together developed a Common Reporting Standard (CRS) on Automatic Exchange of Information (AEOI).

Please refer to Instructions given in the FATCA/CRS Form before filling in the particulars and for further details relating to FATCA/CRS, refer to SEBI Circular No. CIR/MIRSD/3/2015 dated 10th September 2015.
