## FEW COMMON QUESTIONS RELATING TO THE BANK MANDATE:

## I only want to invest Rs 20,000. Why is the amount 50,000 in the mandate above?

This is the maximum amount and not the specific investment you are planning at this time. This mechanism allows you to make multiple investments (either lump sum or SIP) without registering a separate bank mandate for each investment.

For example: You may want to make a Rs 50,000/- investment when you get your bonus or increase the amount of SIP as your salary increases. If we have a fixed amount mandate, you will need to print, sign and send another mandate to us with every new investment. The upper limit of 50,000 has been decided based on the investing behaviour of a typical investor.

The amount transferred from your bank account is based on the amount you choose to invest.

## When will money be transferred?

electronic or other means.

Money will be transferred as and when you place an investment instruction online by logging into Investocafe.com. This completely depends on you. Sending your mandate now will only set up the account and make it ready for when you want to invest.

## Can I revoke this mandate when I want?

Yes. You can do so at any time by contacting your bank directly.
